Woodmen Meeting.

Sycamore Camp No. 26, Woodmen of the World was called to order on Thursday evening with about seventy-five choppers present. Besides the regular routine business, three applications for membership were presented, three voted on and two were introduced into the Camp, after which nominations for officers for the ensuing term was taken up. Also nominations for delegates to the next grand camp meeting in 1905, with other business.

The amendment to our by-laws providing for an assessment of 50 cents per member to maintain a Funeral Emergency Fund of \$100.00 for the members of Sycamore Camp, supplementary to the local camp general fund, met with hearty approval, and Clerk Guyot will collect the first assessment with the December camp dues. The movement to organize a Woodmen's Circle in Palestine is meeting with much success and we hope to soon be able to institute a large

NEGRO BURGLARS ARE ARRESTED

Three Loading Negroes Get Into Serious Trouble.

Last night Deputy Sheriff Don Barrett arrested Frank Phillips, colored, while attempting to burglarize Sawyer & Nemer's store.

Barrett and Sheriff Watts had first observed the negroes at Geo. W. Wright's store, and were laying for him, and ready to arrest him as soon as he broke in, but a passer-by scared him off. The officers separated in trying to locate him, and Barrett ran upon him trying to break into Sawyer & Nemer's store. He was using a heavy wrench, which was dropped as he ran at the officer's approach. A short foot race ensued, and the negro was captured.

The negro confessed and implicated two other others, Son Worthington and Oscar Nelson. They have also been arrested.

It transpired this morning that the Magnolia meat market had been entered; that two locks were broken from J. S. Temple's store, and that an attempt had been made on Langston & Co.'s place. This is all charged to these negroes, together with the burglary of the Oriental meat market the night before.

THEATRICAL.

There may have been "Two Jolly Rovers" at the Temple last evening, but if we were left to render the verdict we would pronounce them an aggregation of barn-stormers of the first water, who are absolutely obtaining money under false pretenses. There was nothing to the bill to begin with, and to fill in the time the members of the cast indulged in an overdose of horse-play, in which they appeared to find much enjoyment. The singing and dancing specialties were on the bum proper. The four piece orchestra also failed to make good.

To say the performance was "rotten" would be paying it a compliment.

The Smart Set.

"The Smart Set," which is one of the largest colored organizations in the world, will make their annual appearance at the opera house next Saturday in an entirely new production, which has involved a very large out-

lay. All of the scenery and costumes are new and a number of novelties will be introduced. Aside from the magnificence of the singing by the artists, the dancing is a feature which will be appreciated by everyone. No one can dance with such verve and abandon as the colored man, and in their dances they are gracefulness itself. The company this season numbers 50 people and includes such well known performers as Tom McIntosh, Billy McClain, Tom Brown, Billy Young, Harry Reed, Lawrence Chenault, Mlle Cordelia, Marion Henry Smart and Irene Navarro.

Sycamore Camp is prosperous, we have introduced some 100 new members during the year 1902, with much interest manifested on the outside which is believed will result in many more additions to the already large membership.

The unveiling ceremonies at East Hill cemetery last Sunday, so accurately conducted, created much complimentary mention, and with the general enthusiasm and hearty support of the choppers, the future seems very bright for Woodmen in Palestine.
